

At the climax of this world, the Holy Ghost will take the Church - those who have received Christ - to meet Jesus in the air. Then Jesus and the Holy Ghost will take the people to present them to God, the Father.

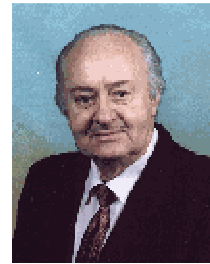

The Holy Ghost will honor the person who honors Jesus Christ. It is by the name of Jesus that men are saved. The Holy Ghost will push and advertise that name throughout the world.

Jesus teaches us man can say all manner of evil against the Father or the Son and obtain forgiveness. However, if he speaks one word against the Holy Ghost, it will not be forgiven him in this world nor in the world to come.

The Holy Ghost

The words Holy Ghost have been a big conversation topic across our country for many years. Many people say that it is from God and they are glad it abides with them, while many others say it is not necessary for the people today.

In this writing, I trust you will be able to understand the necessity of the Holy Ghost.

First, let me say the Holy Ghost is a servant of God, the Father, the Almighty. The Holy Ghost was with God and Christ even at the beginning of the world. When God saw it was needful for Christ to come to

the world, He sent the Holy Ghost to visit Mary and bring about the miraculous birth of Jesus. The Holy Ghost went back to heaven to be with God the Father. Jesus, in his ministry, was a light to the people. Jesus had a spirit and everyone that followed him, received his spirit that is as we call it - The Holy Spirit. This makes a man pure and clean. When Jesus Christ was crucified and went to heaven he prayed to the Father, God Almighty, that He would send the Holy Ghost to the people on the earth. Since God and Jesus Christ are in heaven, and Jesus is not going to be on this earth anymore until after the resurrection - which is at the end of the world, the Holy Ghost came to the earth to be with and in God's people.

When a person comes to Christ he receives the Holy Spirit, which makes him a clean person. Therefore, the Holy Spirit will cause the man to love God and praise Him. By doing

so, the Holy Ghost will come upon him and will come in him, if the man will give the Lord a perfect praise.

The preacher brings the message, which is given by the Holy Ghost. Immediately, the Holy Ghost takes the message to the heart of the unsaved person. The Holy Ghost causes the person to believe in Jesus Christ. After surrendering their heart to the Lord, the person receives Christ's spirit, which puts him under the protection of the Holy Ghost each moment of his life.

The Holy Ghost is doing this work throughout the whole world, getting a church ready for the coming of Jesus Christ, our Savior.

This lets us understand the Holy Ghost is a servant of God. Jesus Christ and God, the Father, are now in Heaven, but the Holy Ghost is in the earth working with and for the people who will believe in the Lord.
